

Early Career Framework Facilitator Recruitment

Exchange Teaching Hub are looking to recruit exceptional practitioners to facilitate our Early Career Framework from September 2023.

The role of the facilitator is pivotal in creating opportunities for learning which impacts on practice, and ultimately, transform outcomes for children and young people.

Key Responsibilities include:

- Delivering online facilitation and face-to-face sessions to ECTs
- Developing and maintaining positive relationships with participants to ensure successful completion of the programme
- Being fully prepared for the session being delivered, arriving promptly, managing the time, ensuring a high quality learning experience for all participants and tailoring resources to meet the needs of the group
- Participating in facilitator induction, development and training opportunities with other facilitators across the Hub area
- Acting as an advocate for Exchange Teaching Hub, sharing our consistent messages and ways of working
- Liaising closely with Exchange Teaching Hub to support effective delivery
- Engaging fully in the quality assurance process
- Use the facilitator competency framework to self-evaluate and identify next steps for own practice

Please read the facilitator job description [here](#).

Person Specification

If you feel you have the skills we are looking for then please complete the expression of interest form and return the completed form to info@exchangeteachinghub.org.uk.

Expression of Interest

If you are successful you will be invited to a facilitator accreditation day in the Summer term.
